All ORPs are prices supplied by the manufacturer or retailer of the item at the time of the items original sale, and therefore such ORPs may not be current at the time of the online auction of the item. Graysonline takes no responsibility for the display of ORPs on any item it offers for sale at an online auction on its site, and hereby advises all bidders to satisfy themselves as to the value of the item being auctioned. There are some exceptions to this, however, if there are any successful bids on a particular lot within 10 minutes of the close of the online auction the "Going, Going, Gone. There is no limit to the number of times an online auction can be extended. This makes graysonline work more like a live auction where the bidding doesn't stop as long as there is still interest in the product, rather than assigning an arbitrary cutoff time.

This means it is a good idea to watch the action as the auction nears closing time and to check back often GraysOnline will provide Safety information relating to the condition of the item of plant for sale Plant Hazard Reports Clear identification and marking to identify that the plant item is only suitable for scrap or spare parts Site Access, PPE and Removal of Plant requirements are listed under the Inspection and Collection Headings. Items are sold on an AS IS, WHERE IS BASIS and must be inspected before removal from site as refunds or exchange are not given under any circumstances. The Condition of each product is stated on its Lot Page, and we strongly urge you to familiarise yourself with the Condition before bidding. This is because Grays sells a wide range of products in a variety of Conditions on behalf of our Vendors. Its important that you read the Lot Description for possible additional information on the Condition of the product including any applicable warranty details. You should take the Condition and the Lot Description into account when you place your bid as we do not offer refunds if you change your mind about your purchase. Product Conditions DEMO These items may have been used by manufacturers or distributors for display, demonstration or promotional purposes. Please note that some individual items may show signs of wear common with used items. In some instances, accessories may vary from the standard for example, software or manuals may be missing or different, no original packaging. USED Products listed as Used have experienced moderate to heavy usage by consumers and have not been tested to ensure that they function according to the manufacturers specifications. Some individual items may show signs of wear common with used items, and in some instances, accessories may vary from the standard for example, software or manuals may be missing or different, no original packaging. OTHER Products are listed as being in Other Condition when they do not fit into any of the other Conditions listed. This can include items such as collectable wines, certain works of art and other memorabilia.
